Dear Gottlieb:

Please give Mike the enclosed check and copy for me.

Next, had you arranged to send league umpire to Trenton Friday and Patterson Saturday. They are both league games. I guess Mitchell arranged with you about the umpire for Wednesday in Harrisburg. If you had not planned to send anyone please do so. We are also playing The Yankees in Trenton Tuesday, and should have a league umpire there also. I wrote Semler and asked him about it being the league games he had scheduled for Dexter Park June 5th. He wrote me he was not going to play in Dexter park under the terms they were offering.

Can you arrange to get The Cubans, Yankees Elites, and The Grays to pay their league dues. I am going to Washington Thursday, and will try and remember to ask for it them from The Grays.

Please send five tickets for this sundays game in New York to Mrs Sadye Chase, 421 W. 162nd St. Apt. 2 New York City. She is a very personal friend of mine, and will be a good booster to get interested in the baseball.

I am soosorry the day was not nice Sunday. I am sure we would have had 14000 at least. The fact that we had nearly 7000, and only 3000 for the exhibition with The Grays shows that game did not take any edge off the opening anyway.

Is there any exhibition baseball starting soon around this way? I guess we will be idle the 31st as we asked for one third of the gross at Dexter Park, and I dont think they will pay it. If Patterson looks like anything, we might to take some one there.

V.
